

Melanie Martinez - Haunted

Tom: **D**

m

I could pull the sheets over my head **F** **Dm**

And never get out of this bed **Bb**

But what would that do? **C**

I avoid all mirrors **F**

Cause I'm scared to look into my eyes **Dm**

When I only see you **Bb** **C**

It's like you're always creeping **F**

On the walls and in my feelings **Dm**

All those stories about ghosts **Bb**

Are really true **C**

I put one foot **C** **F**

In front of the other, in front of the other **Dm**

Slowly I turn every corner, turn every corner **F** **Dm**

Even when you're nowhere in the room **Bb** **C**

I'm haunted by you **F**

I light all my candles, light all my candles **F** **Dm**

The darkness is too hard to handle, too hard to handle **Bb** **C**

Sleeping is just something I can't do **F**

I'm haunted by you **F**

I can hear you talking in the distance **Dm**

Your persistence is so cruel **F**

And all your words pool at my feet **Dm**

And I fall back in love with you **Bb**

What can I do? **C**

F

It's like you're always creeping

On the walls and in my feelings **Dm**

All those stories about ghosts **Bb**

Are really true **C**

I put one foot **C** **F**

In front of the other, in front of the other **Dm**

Slowly I turn every corner, turn every corner **F** **Dm**

Even when you're nowhere in the room **Bb** **C**

I'm haunted by you **F**

I light All my candles, light all my candles **F** **Dm**

The darkness is Too hard to handle, too hard to handle **Bb** **C**

Sleeping is just something I can't do

We used to be so warm **F**

But now we're just in a storm **Dm**

Slowly freezing up my heart **Bb** **C**

We used to be so warm **F**

But now we're just in a storm **Dm**

Slowly freezing up my heart, heart, heart **Bb** **C** **C** **C**

I put one foot **C** **F**

In front of the other, in front of the other **Dm**

Slowly I turn every corner, turn every corner **F** **Dm**

Even when you're nowhere in the room **Bm** **C**

I'm haunted by you **F**

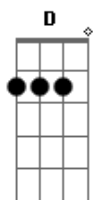

I light All my candles, light all my candles **F** **Dm**

The darkness is Too hard to handle, too hard to handle **Bb** **C**

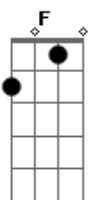

Sleeping is just something I can't do **F**

I'm hunted by you
