

# Melanie Martinez - Haunted

Tom: **D**

m

**F**  
I could pull the sheets over my head **Dm**

**Bb**  
And never get out of this bed

**C**  
But what would that do?

**F**  
I avoid all mirrors

**Dm**  
Cause I?m scared to look into my eyes

**Bb** **C**  
When I only see you

**F**  
It?s like you?re always creeping

**Dm**  
On the walls and in my feelings

**Bb**  
All those stories about ghosts

**C**  
Are really true

**C** **F**  
I put one foot

**Dm**  
In front of the other, in front of the other

**F** **Dm**  
Slowly I turn every corner, turn every corner

**Bb** **C**  
Even when you?re nowhere in the room

**F**  
I?m haunted by you

**F** **Dm**  
I light all my candles, light all my candles

**Bb** **C**  
The darkness is too hard to handle, too hard to handle

**F**  
Sleeping is just something I can?t do

**F**  
I?m haunted by you

**F** **Dm**  
I can hear you talking in the distance

**F**  
Your persistence is so cruel

**Dm**  
And all your words pool at my feet

**Bb**  
And I fall back in love with you

**C**  
What can I do?

**F**  
It?s like you?re always creeping

**Dm**  
On the walls and in my feelings

**Bb**  
All those stories about ghosts

**C**  
Are really true

**C** **F**  
I put one foot

**Dm**  
In front of the other, in front of the other

**F** **Dm**  
Slowly I turn every corner, turn every corner

**Bb** **C**  
Even when you?re nowhere in the room

**F**  
I?m haunted by you

**F** **Dm**  
I light All my candles, light all my candles

**F** **Dm**  
The darkness is Too hard to handle, too hard to handle

**Bb** **C**  
Sleeping is just something I can?t do

**F**  
We used to be so warm

**Dm**  
But now we?re just in a storm

**Bb** **C**  
Slowly freezing up my heart

**F**  
We used to be so warm

**Dm**  
But now we?re just in a storm

**Bb** **C** **C** **C**  
Slowly freezing up my heart, heart, heart

**C** **F**  
I put one foot

**Dm**  
In front of the other, in front of the other

**F** **Dm**  
Slowly I turn every corner, turn every corner

**Bm** **C**  
Even when you?re nowhere in the room

**F**  
I?m haunted by you

**F** **Dm**  
I light All my candles, light all my candles

**F** **Dm**  
The darkness is Too hard to handle, too hard to handle

**Bb** **C**  
Sleeping is just something I can?t do

**F**  
I?m hunted by you
