

Melanie Martinez - Light Shower

tom:

Intro: F E C Am D
F E F

You are the light I've been searchin' for forever
Feels like, man, I've really never felt the rain
Buried in the desert, didn't think I'd push through the dirt
You just cleansed me like a waterfall, you came

I'm screamin' like a kettle on a stove
You cranked the heat up, I was cold
My past grew mold around my heart
And all my anger, sadness, regret disappeared, it's madness
I'm not used to all this water love, it's true
But you made me want to
Plan out my last days on Earth eating you
Ooh, ooh, ooh

The tips of your teeth fit perfect in me
You're a shower of light I'd devour
Any day of the week
Baby, cleanse me

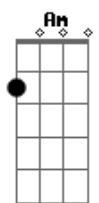

I was surprised to see heaven in your eyes
I never once was treated right, you're what I'm missin'
In my life
As bright as the Sun, give me your vitamin D

Let's run into another dimension
You make me feel like I'm on drugs
I'm screamin' like a kettle on a stove
You cranked the heat up, I was cold
My past grew mold around my heart
And all my anger, sadness, regret disappeared, it's madness
I'm not used to all this water love, it's true
But you made me want to
Plan out my last days on Earth eating you
Ooh, ooh, ooh
The tips of your teeth fit perfect in me
You're a shower of light I'd devour
Any day of the week
Baby, cleanse me
(F E C E Am D)
(F E C E Am D)

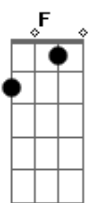

But you made me want to
Plan out my last days on Earth eating you
Ooh, ooh, ooh

The tips of your teeth fit perfect in me
You're a shower of light I'd devour
Any day of the week
Baby, cleanse me
