[Primeira Parte]

```
Em                                   Em
Don't wanna know where you're going when you aren't around
C                       C
I'd rather stay naive, too much to believe
Am                              Am
Blood fallin' out from your nose and I'm wonderin': How?
D                     D
You glamorize your pain, wear it on display
```

[Pré-Refrão]

```
G           G             Em
And I know it's a cry for help, go help yourself
            Em               C
I opened a million doors, you never
          C             Am
It's past point of no return, when will we learn?
          Am               D
Alert me when this shit is over
```

[Refrão]

```
G           G
Lyin' loud (through it all)
Em              Em
Cut your face (from the fall)
C                 Am
When you're hurt (who'd you call?)
D
I can't answer now
G           G
Spent the rent (on a high)
Em              Em
One way street (to the scythe)
Am           C
Clean it up (watch you die)
D
It's yours to decide

[Segunda Parte]

```
G                        G
Show me a picture you paint of someone else
Em                   Em
Lived a double life, wish I was surprised
C                    C
Eyes rollin' back to your head and I'm wonderin': How?
Am                   D
I recognize our faith, put it all to waste
```
