tom:

Intro: **A**

[Primeira Parte]

**A**  
Riding down, riding down  
**A**  
My hand on your seat  
**A**  
The whole way round  
**A**  
I carry band-aids on me now  
**A**  
For when your soft hands hit the jagged ground  
**Gbm**  
Wheels aren't even touching the ground  
**E**  
Scared to take them off but they're so worn down  
**Gbm**  
Promise I won't push you straight to the dirt  
**E** **D**  
If you promise me you'll take them off first

[Refrão]

**A**  
I love everything you do  
  
When you call me fucking dumb for the stupid shit I do  
**A**  
Wanna ride my bike with you  
**Gbm**  
Fully undressed, no training wheels left for you  
**E**  
I'll pull them off for you  
**A**  
I love everything you do  
  
When you call me fucking dumb for the stupid shit I do  
**A**  
Wanna ride my bike with you  
**Gbm**  
Fully undressed, no training wheels left for you  
**E**  
I'll pull them off for you  
**A**  
I love everything you do  
  
When you call me fucking dumb for the stupid shit I do  
**A**  
Wanna ride my bike with you  
**Gbm**  
Fully undressed, no training wheels left for you  
**E**  
I'll pull them off for you

[Segunda Parte]

**A**  
Letting go, letting go  
**A**  
Telling you things you already know  
**A**  
I explode, I explode  
**A**  
Asking you where you want us to go  
**Gbm**  
You've been riding two wheelers all your life  
**E**

It's not like I'm asking to be your wife  
**Gbm**  
Wanna make you mine, but that's hard to say  
**E** **D**  
Is this coming off in a cheesy way?
