Eb **Ab**
It was an ordinary day

Eb
I woke up on a wave

I filled a sail

Bb
And made my way to the shore

Eb **Ab**
I blew through the center of your town

Eb
Came upon your house

Through your window

Bb
And I came through your screen door

I asked you

Ab
Can you hear me blow?

Eb
Though you don't know

Fm
Where I'm coming from

Bb
Or where I go?

Eb **Ab**
It was an ordinary night

Eb
I met some fireflies

I danced around with them

Bb
Until about 9 o'clock

Eb **Ab**
Heard your footsteps on the road

Eb
I ran to bring you home

And I whispered through the leaves

Bb
Up and down your block

Ab
Oh I'm a summer breeze

Eb
I brush across your cheek

Fm
I have always been

Bb
And I will always be

Ab
You can hear me blow

Gm
Although you don't know

Fm
Where I'm comin from

Bb
Or where I go

Bb **Cm** **Ab**
It's me when you catch the fragrance of spring

Eb
When tall trees sway

Bb **Cm** **Ab**
It's me in the cold winter sting

Bb
In the alleyway

Fm **Cm**
I am the sigh

Bb **Fm**
While all creation groans and waits
(**Ab Gm Fm Bb**)

You can hear me speak

Cm
If you're listenin'

Fm
I will always be

Bb
And I have always been

You can hear me blowin'
