tom:	Gb F Listen
Bbm So you say you really miss me?	Bbm Here?s to the no's
F Well that makes me laugh	To the I think you should go
Gb	To the leave his ass alone
Cause you miss the way I let	To the hanging up the phone?s
You walk all over me F Broke over home in my back	To the no man can demand my body
Broke every bone in my back	My spirit, my love
So you wanna reminisce things? F	Bbm Here?s to the no's
Well don?t come round here with that	To the walk yourself on home
If we review through your phony excuses	F To the keeping on my clothes
I bet it won?t change the past	To the highs without the lows
Gb Closed for the weekend	Gb
Gb	To the no man can demand my body F
