

# Melissa Otto - Why Should I

Tom: **G**

**C** **G**  
I'm sorry,  
**D** **G**  
I let fear and doubt in  
**C** **G**  
As though I was an orphan,  
**D** **D7** **G**  
as though you didn't care  
  
**C** **G**  
As though I walked alone,  
**D** **Em7** **G**  
as though no-one fights before me  
**C** **G**  
As though you didn't notice,  
**D** **D** **Em**  
as though I had no hope

Coro:

**C** **G**  
Why should I be afraid?  
**D** **Em**  
Why should I be afraid?  
**C** **G**

Because I have a Father

**D** **Em**  
Who is with me all the way

**C** **G**  
Would You be close to me,  
**D** **Em**  
and calm my anxious mind  
**C** **G**  
Remind me of your goodness,  
**D** **G**  
remove the dark thoughts that You find

**C** **G**  
Would You fill my empty spaces,  
**D** **Em**  
and strengthen me with real hope  
**C**  
In Your love,  
**G**  
in all You've promised,  
**D** **Em**  
in the place You're preparing for my home
