

# Melody's Echo Chamber - Breathe In, Breathe Out

Tom: **Gb**  
Intro: **G E G E**  
**G E D A**

**G** Keep staying in my soul, I keep fighting, fighting it **E**  
**G** Mama said you must be strong, healing slow, feeling so low **E**  
**D** I can't eat, I can't grow, I can't heal my soul **A**

God, it's been so long  
There must be some kind of light to come

**Bbm B Db Gb**  
Unless I go home, lost in oblivion  
**Bbm B Db Gb**  
There must be some kind of light to come

**Gb E Db B A Gb A Gb**  
Let myself find out there's more  
**Gb E Db B A Gb A Gb**  
Let my heart find out there's more  
**D A**

If there's more  
**G E**  
If there's more

**G** Keep saying write my songs, I keep crying, crying **E**  
**G** Love has taken all of my energy **E**  
**G** And it's brought up all my melancholy **E**  
**D** Ahahahah ahahaha ah ah  
**A** Ahahahah ahahaha ah ah

**Bbm B Db Gb**  
I just found I can't breathe  
**Bbm B Db Gb**  
Like they say, like a song  
**Bbm B Db Gb**  
I just found I can't breathe  
**Bbm B Db Gb**  
Like they say, going somewhere

## Acordes
