

Men At Work - Overkill

Tom: **A**
Intro:

(2x)

Versos:

E
I can't get to sleep
D **A**
I think about the implications
E **B**
Of diving in too deep
D **A**
And possibly the complications
E **B**
Especially at night
D **A**
I worry over situations
E **B**
I know will be alright
D **A**
Perhaps it's just imagination

Refrão:

Dbm **B**
Day after day it reappears
Dbm
Night after night my heartbeat
A **B**
shows the fear
Ab **A** **B**
Ghosts appear and fade away

Versos:

E **B**
Alone between the sheets
D **A**
Only brings exasperation
E **B**
It's time to walk the streets
D **A**
Smell the desperation
E **B**
At least there's pretty lights
D **A**
And though there's little variation
E **B**
It nullifies the night
D **A**
From overkill

Refrão:

Dbm **B**
Day after day it reappears
Dbm
Night after night my heartbeat
A **B**
shows the fear
Ab **A**
Ghosts appear and fade away
B
Come back another day
