

Men I Trust - Bethlehem

tom:
 I see myself **Bm**
 Beyond deadlands **Bm**
 Where trees of health **G**
 Void lines of age **Bm**
 No sullen air **Em**
 No requiem **Gb**
 In Bethlehem **G**
 Eternal light **Bm** **B7**
 Of womanhood **Em**
 Supernal might **Gb** **Gb7**
 Draw me to good **Bm**
 A long way **G7M**
 Far from the mayhem **Em**
 In Bethlehem **Gb**
 (**Bm** **G** **Bm** **Em**)
 (**Gb** **G** **Bm**)
 Through grief, I climb **Bm**
 The toll of time **G**
 A solemn flight **Bm**

Beacon of sight **Em**
 My private love **Gb**
 My silent song **G**
 In Bethlehem **Bm**
 (**D** **C** **B7**)
 Created world **Em**
 Inside one pearl **Gb** **Gb7**
 And every grace **Bm**
 All in one place **G7M**
 To trickle down **Em**
 Dust on the low grounds **Gb**
 No flooded plains **Em**
 No borough flames **Gb** **Gb7**
 For heaven's perch **Bm**
 Or mankind's scourge **G7M**
 In Bethlehem **Em**
 My private love song **Gb**
 (In Bethlehem) **Bm**
 (**Bm**)
