

# Men I Trust - Break For Lovers

tom:

**B**

Let's lay down our masks

**Bm** **G** **Em**

And be true

**Bm** **Gbm**

So that our eyes

**G** **Em**

Be bound in affection

**Bm** **Gbm**

Aware of our lust

**G**

And our shared trust

**Em**

We can know each other

**Bm** **Gbm**

And hear nature's words

**G** **Em**

My dear friend

**G**

But let's not talk this through

**Em**

I used to

**Bm** **A**

Cause long words widen gaps between lovers

**G** **Em**

We ought to be lone, my home's your own

**Bm** **A**

Until we have each other we're strangers

**Bm** **Gbm**

I know there's a reason

**G** **Em**

We use such curves

**Bm** **Gbm**

Riddles in smiles

**G** **Em**

Rather than small talk

**Bm** **Gbm**

I know we both want

**G**

Things to be done

**Em** **Bm**

In a truthful manner

**Gbm**

There lies our rest

**G** **Em**

My dear friend

**G**

Let's not talk this through

**Em**

I used to

**Bm** **A**

Cause long words widen gaps between lovers

**G** **Em**

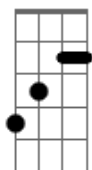

We ought to be lone, my home's your own

**Bm** **A**

Until we have each other we're strangers
