

Metal Gear Rising - I'm My Own Master Now

Tom: **C**
Intro: **Am F G**

Am
Born
Into a pack
There's no choice
But take orders to attack

Locked up in chains
I get fed
But the hunger still remains

G F
Not content to live this way
G F
Being led by the blind
G F
Got to plan my dispersal
G F Am
Time to leave them all behind

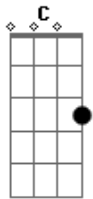

Breaking out of my pain
Nothing ventured ? nothing gained
I'm my own master now

Bear the mark of my scars
Shedding blood underneath the stars
But I will survive somehow

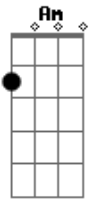

(**Am F G**)

Hear me howl
Time to leave them all behind
I'm my own master now
