Memories broken

The truth goes unspoken

I'm standing here holding my blade

A desolate place

E
Without any trace

Gb **Dbm**
It's only the cold wind I feel

Dbm
It's me that I spite

E
As I stand up and fight

Gb
The only thing I know for real

There will be blood-shed

Gb **E**
The man in the mirror nods his head

Dbm **E**
The only one left

Gb **Ab**
Will ride upon the dragon's back

Dbm **E** **Gb**
Because the mountains don't give back what they take

Ab
Oh, no

Dbm **E**
There will be blood-shed

Gb **E** **Dbm**
It's the only thing I've ever known

To find the truth in front of me

I must climb this mountain range

Looking downward from this deadly height

And never realizing why I fight
