

Metallica - Death Is Not The End

```
Tom: C
                                                                   (solo)
   (intro riff 1)
                                                                   Wah starts here
(intro riff 2)
(intro riff ending)
(main riff (12 times, last 4 times kirk plays with wah)
                                                                   (ending of solo)
(verse riff)
                                                                   (interlude riff) (breakdown)
(bridge riff 1)
(chorus 1 part 1)
/// james
\\\ kirk
                                                                   (final verse)
(chorus 1 part 2)
(pre chorus 2)
                                                                   (ending chords)
```

Acordes

(chorus 2)
