

Metallica - Fixxxer

```
Tom: Bb
                                                - I
  (Wah-Wah pedal)
(riff 1. guitar 1)
(riff 1. guitar 2)
                                                ----I
(verse)
                                                ----T
                                                G#T-----
                                                D#I----5---12h14-14p12-12~12-14----5---12-14-14p12---
                                                -12-14p12----I
                                                A#I-5h7---7------14------
                                                ---14-I
                                                FI-----
(chorus)
(quitar 1 clean)
                                                                     X turn of Wah-Wah pedal at the X
                                                FI-----I
                                            Ι
                                                CI-----I
(guitar 2 distorted)
                                                D#I----5-----I
                                                A#I-5h7---7-5h7---7-5h7---7-5h7-3h5-2h3-0h2-I
                         1)st end
                                       2)nd end
(repeat verse and chorus)
                                                (chorus)
(bridge)
(slide solo)
The rhytm guitar plays this riff twice and the (riff 1 guitar
                                                Dolls of voodoo all stuck with pins
1 twice)
                                                One for each of us and our sins
                                                So you lay us in a line
(slide solo)
                                                Push your pins, they make us humble
                                                Only you can tell in time
                                                If we'll fall or merely stumble
                                                But tell me
                                                Can you heal what father's done
(this is both guitars)
                                                Or fix this hole in mother's son
                                                Can you heal the broken worlds within
(solo 2)
                                                Can you strip away so we may start again
                                                Tell me, can you heal what father's done
(rhytm guitar plays first part 4 times then the second part)
                                                Or cut this rope and let us un
                                                Just when all seems fine and I'm pain free
                                                You jab another pin
                                                Jab another pin in me
(solo quitar, All 19 are 17 bent to 19)
FT----
- T
                                                Mirror, mirror upon the wall
CI-17b19-19-17b19-19-19-17b19-19-17b19-19-17b19-19-17b19-17p15 Break the spell or become the doll
                                                See you sharpening the pins
G#T - -
                                                So the holes will remind us
                                                We're just the toys in the hands of another
- - T
     ----- And in time needles turn from shine to rust
D#T - -
      ----- But tell me
A#I-
                                                Can you heal what father's done

FI----- Or fix the hole in mother's son
                                                Can you heal the broken worlds within
                     X turn on Wah-Wah pedal at the X
                                                Can you strip away so we may start again
FI------ Tell me, can you heal what father's done
                                                Or cut this rope and let us run \,
CI-17b19-17p15-----
                                                Just when all seems fine and I'm pain free
                                                You jab another pin
G#I-----12h14-14b16r14-12-----
                                                Jab another pin in me
-12h14-I
                                                Jab it
D#I-----12h14-----12h14-----
- - T
                                                Blood for face
       -----
                                                Sweat for dirt
A#I--
                                                Three x's for the stone
FI----- To break this curse
```

Oferecimento Lojalele.com.br

A ritual's due I believe I'm not alone Shell of shotgun

Pint of gin
Numb us up to shield the pins
Renew our faith which way we can
To fall in love with life again
To fall in love with life again
To fall in love with life again
To fall in love
To fall in love
To fall in love with life again

So tell me

Acordes

Can you heal what father's done
Or fix the hole in mother's son
Can you heal the broken worlds within
Can you strip away so we may start again
Yeah, tell me, can you heal what father's done
Or cut this rope and let us run
Just when all seems fine and I'm pain free
You jab another pin
Jab another pin in me
Oh yeah

No more pins in me, yeah No more, no more pins in me No more, no more pins in me No more, no more, no more No, no, no
