Gb
 Master, master, where's the dreams that I've been after?
 Master, master, you promised only lies
 Laughter, laughter, all I hear or see is laughter
 Laughter, laughter, laughing at my cries

E
 Hell is worth all that, natural habitat
 Just a rhyme without a reason
 Neverending maze, drift on numbered days
 Now your life is out of season

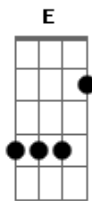

Gb
 I will occupy
 I will help you die
 I will run through you

Now I rule you too
