

# Metallica - Master Of Puppets

Tom: **E**

**E**  
End of passion play, crumbling away

Veins that pump with fear, sucking darkest clear  
Leading on your deaths' construction

**Gb**  
Taste me you will see  
More is all you need  
You're dedicated to

**B E**  
How I'm killing you

**C B E**  
Come crawling faster  
**C B E**  
Obey your master  
**C B E**  
Your life burns faster

**E G**  
Master of puppets I'm pulling your strings  
**C A**  
Twisting your mind and smashing your dreams  
**D**

Blinded by me,  
**C B**  
you can't see a thing  
**E**  
Just call my name,  
**C**  
'cause I'll hear you scream

Needlework the way, never you betray  
Life of death becoming clearer  
Pain monopoly, ritual misery  
Chop your breakfast on a mirror

You're dedicated to

**Gb**  
Master, master, where's the dreams that I've been after?  
Master, master, you promised only lies  
Laughter, laughter, all I hear or see is laughter  
Laughter, laughter, laughing at my cries

**E**  
Hell is worth all that, natural habitat  
Just a rhyme without a reason  
Neverending maze, drift on numbered days  
Now your life is out of season

**Gb**  
I will occupy  
I will help you die  
I will run through you  
**E**

Now I rule you too  
**C B E**  
Come crawling faster  
**C B E**  
Obey your master
