

Metallica - Stone Cold Crazy

Tom: **E**

Main riff:

As usual h=hammer on, p=pull off

E--
B--
G--

E-
B-
G-

Verse 1:

(No more guitar as the singing starts..)

Guitar comes in with a **B** power chord (x244xx) as Freddie sings 'crazy' for the first time (BEFORE the harmony vocals on 'Stone

cold crazy')

Then back to the main riff as before

Verse 2 same as Verse 1

Now, after the harmony vocals on 'Stone cold crazy' :
A power chord (x022xx), then **Bb** power chord (x133xx) leads into the guitar break which is all over the **Bb** chord

(Half way through there is a little downward bit :

E
B

E

...then back to **Bb** for the rest of the solo)

After the solo, the main riff again , another verse, another chorus over a **B** power chord, then it ends with:

(attack the muted strings for the xs)
