Lyrics:

She's just a friend, you see  
you always agree  
you know i lie but you still trust me  
and you believed in so much hope  
but i'm the one who let you go

now that we're done i'm so sorry  
why did i lie i'm so sorry  
i know i hurt you  
i know i hurt you

you still call my phone  
cause you still want me  
i'll tell my friends you're so annoying  
you'll cry and curse when you're alone  
but laugh and flirt when we're on the phone

now that we're done i'm so sorry  
why did i lie i'm so sorry  
i know i hurt you  
i know i hurt you

now i see you with him  
it was nothing like i thought it'd be  
i'll break down

now that we're done i'm so sorry  
why did i lie i'm so sorry  
i know i hurt you  
i know i hurt you  
now that we're done i'm so sorry  
why did i lie i'm so sorry  
i know i hurt you  
i know i hurt you
