

Metro Station - She Likes Girls

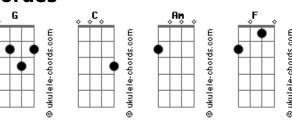

tom:	F C G Am I can read the signals from a mile away
	I know she is on your mind, and that's okay
[Primeira Parte]	[Refrão]
C Am I like you girl, but you don't seem excited	F I think she likes girls
Since she walked in where has your mind been?	I think she likes girls
You talking to me, but thinking of her	Every time she flaunts <mark>Am</mark>
F G Your secret is safe, I won't say a word	You wanna get real and tell me G
[Pré-Refrão]	What you want F G
F C G Am	I think she likes girls F G
We should slow down, I was moving too quick	I think she likes girls F
You don't say you love me, you just bite your lip F C G Am	I think she likes girls C
I can read the signals from a mile away	I can't make her stop Am
I know she is on your mind, and that's okay	She wants to kiss her lips
[Refrão]	but she's scared to get caught
F I think she likes girls	I think she likes girls F G
C Every time she flaunts	I think she likes girls
You wanna get real and tell me	Am F G She likes girls, girls
What you want	She likes girls, girls
I think she likes girls	She likes girls, girls
I think she likes girls	I think she likes girls
F	[Ponte]
I think she likes girls C	Am F
I can't make her stop Am	She's feeling lonely, feeling in C
She wants to kiss her lips G	She met her on the dancefloor <mark>G</mark>
but she's scared to get caught $F G$	She knew she had to have more Am F
I think she likes girls F G	She's feeling faded, it's not pretend
I think she likes girls	She met her on the dancefloor
Am F G She likes girls, girls	She knew she had to have more
Am F G	She's feeling lonely, feeling in
She likes girls, girls, girls Am F G	She met her on the dancefloor
She likes girls, girls F G	She knew she had to have more
I think she likes girls	Am She's feeling faded, it's not pretend
[Segunda Parte]	C She met her on the dancefloor
C Am If you're craving her body you shouldn't hide it	She knew she had to have more
You told her the truth the flame was ignited	[Refrão]
Lost in the night you're touching her skin	F I think she likes girls
Leaving the club, the kissing begins	I think she likes girls (Every time she flavots
[Pré-Refrão]	Every time she flaunts Am Year and and tell are
F C G Am	You wanna get real and tell me G
We should slow down, I was moving too quick F G	What you want F G
You don't say you love me, you just bite your lip	I think she likes girls
