Metronomy - Call Me

Tom: C

```
              D
Call it as you see
                    Am
Call it what you like
                  Dm
Call it you and me
Call it anything
C             D
Only wrong to do
                 Am
Saw it from afar
        G   F
Coming into view
                 F
Call it anything
             Em     G
Call it your friend
                          F
But everyone's your friend
                 C
Only if they say
           D   Am
Call up on me
            G     F
We all need company

C D                   Am D
    Call me valentine
C D                   Am D
    Call me valentine

C           D
Follow rivoli
                 Am
Follow vivienne
                 D
Follow them to me
Follow anything
C             D
Only wrong to do
                   Am
Saw them from afar
```

```
          G   F
Crashing into view
              F
Follow anything
             Em     D
Follow your friends
              G      F
But everyone's your friend
              C
Only if the say
           D   Am
Call up on me
           G       F   F
But you belong to me

( C  Db  Eb  F )
( C  Db  Eb  F )

                  C
We can get better
                 Db
We can get better
Eb                F
We can get better
                  C
We can get better
                 Db
We can get better
Eb                D
We can get better

           Bb      Am
We can do anything
           Ab      G
We can do anything
F                 D
You could be mine

                Bb      Am
Yeah we can try anything
                      Ab      G
We can say we'll try anything
F                   D
And you could be mine
```
