

Metronomy - Reservoir

Tom: C

Intro: 4x: Am G C C C C

Am G
I heard you made the hull of a boat downtown
Em C
I heard you got a job at the builders yard
Am G
But we should never say that we drifted far
Em C
Yeah we should never say that we drifted far
Am G
And I could never take good care of you
Em C
Because we had so much to lose
Am G
But we should never say that we drifted far
Em C
Yeah we should take a trip to the reservoir
C C
Yeah we should take a trip to the reservoir
(Am G C C C C) 2x

Am G
Heartbeats drifting together
C C C C
Heartbeats aah
Am G
Walk in the wood, wet under foot
C C C C
Up to no good ah-ah-ah-ah

Am G
I heard that you cast off and she sailed real fine
Em C
I heard you wet her bow with a bottle of wine
Am G
Well you should let me know when you're home and dry
Em C
Yeah you should let me know when you're home and dry
Am G
I heard you took an old school friend with you
Em C
The one you always said you would
Am G
Well we can never say that we drifted far
Em C
Yeah we should take a trip to the reservoir
C C
Yeah we should take a trip to the reservoir
(Am G C C C C) 2x
