

Metronomy - She Wants

Tom: **Bb**

Eb D
 She sleeps her soul
 So soft and trim
Eb D
 Arranging papers
 Around the bed
Eb D Bb
 And if she's dreaming deep tonight
F G
 I lie with her by reading light
Eb D Bb
 A glass of water by her side
F G
 I'm gone in hopes of getting tired

Bb D
 I call her shots
F G
 'Til you wake up
Bb D
 Count every second
F G
 On every clock
Bb D
 It's getting late
F G
 Yeah that I know
Bb D
 The hours come
F G
 The hours go

Eb D
 Then twitching lips
 And twitching arms
Eb D
 And there you're lying
 Your make up on them
Eb D Bb
 Oh, Girl if you're dreaming deep tonight
F G
 I lie with her by reading light
Eb D Bb
 A glass of water by her side
F G
 I'm gone in hopes of getting tired

Bb D
 I call her shots
F G
 'Til you wake up
Bb D
 Count every second
F G
 On every clock
Bb D
 It's getting late
F G
 Yeah that I know
Bb D
 The hours come
F G
 The hours go

Bb D F G
 The hours come (x 17)
