

# Metronomy - She Wants

Tom: Bb

Eb D  
 She sleeps her soul  
 So soft and trim  
 Eb D  
 Arranging papers  
 Around the bed  
 Eb D Bb  
 And if she's dreaming deep tonight  
 F G  
 I lie with her by reading light  
 Eb D Bb  
 A glass of water by her side  
 F G  
 I'm gone in hopes of getting tired

Bb D  
 I call her shots  
 F G  
 'Til you wake up  
 Bb D  
 Count every second  
 F G  
 On every clock  
 Bb D  
 It's getting late  
 F G  
 Yeah that I know  
 Bb D  
 The hours come  
 F G  
 The hours go

Eb D  
 Then twitching lips  
 And twitching arms  
 Eb D  
 And there you're lying  
 Your make up on them  
 Eb D Bb  
 Oh, Girl if you're dreaming deep tonight  
 F G  
 I lie with her by reading light  
 Eb D Bb  
 A glass of water by her side  
 F G  
 I'm gone in hopes of getting tired

Bb D  
 I call her shots  
 F G  
 'Til you wake up  
 Bb D  
 Count every second  
 F G  
 On every clock  
 Bb D  
 It's getting late  
 F G  
 Yeah that I know  
 Bb D  
 The hours come  
 F G  
 The hours go

Bb D F G  
 The hours come (x 17)
