

# Metronomy - The Look

Tom: C

**Dm Dm7**  
You're up and you'll get down  
**Am Am7**  
You never running from this town  
**E E7**  
Kinda think you said  
**Dm Dm7**  
You'll never get anything better than this  
**Am Am7**  
'Cause you're going round in circles  
**E E7**  
And everyone knows you're trouble

Cause you read it in a big book  
And now you giving me the look look  
But just remember how we shook shook  
And all the things we took took

This town's the oldest friend of mine

Get up and we get down  
We're always running round this town

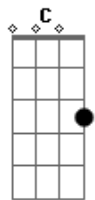

And to think I said  
We'd never make anything better than this

'Cause we're always in small circles  
And everyone thinks we're trouble

We didn't read it in the big book  
And now we're giving you the look look  
Just remember how we shook shook  
And all the things we took took

This town... This town...  
This town's the oldest friend of mine  
This town... This town... This town...
