

Metronomy - The Look

Tom: **C**

Dm Dm
 You're up and you'll get down
 You never running from this town
Am Am
 Kinda think you said
E E7
 You'll never get anything better than this
Dm Dm
 'Cause you're going round in circles
Am Am
 And everyone knows you're trouble
E E7

Cause you read it in a big book
 And now you giving me the look look
 But just remember how we shook shook
 And all the things we took took

This town's the oldest friend of mine

Get up and we get down
 We're always running round this town

And to think I said
 We'd never make anything better than this

'Cause we're always in small circles
 And everyone thinks we're trouble

We didn't read it in the big book
 And now we're giving you the look look
 Just remember how we shook shook
 And all the things we took took

This town... This town...
 This town's the oldest friend of mine
 This town... This town... This town...
