

Meu Coqueiro Tem - Hino de Nossa Senhora Mãe dos Homens

tom:

Intro: F Am Dm Bb C F

Mãe dos homens, rainha dos céus

Símbolo da paz e do amor

No teu Seio há tanta bondade

Que consolo trás a nossa dor

Mãe dos Homens, bendita senhora

Padroeira deste meu torrão

Dai conforto as almas que sofrem

Redimidas, vos rogam perdão

Mãe dos Homens, oh virgem sem mácula

Amantíssima rainha dos céus

Exaltemos o teu nome sagrado

Nas glórias sublimes de Deus

Mãe dos Homens, bendita senhora

Padroeira deste meu torrão

Dai conforto as almas que sofrem

Redimidas, vos rogam perdão

Mãe dos homens celeste rainha

Hóstia Santa, incrustada no altar

Vinde trazer alento a minh?alma

Vosso amor para me confortar

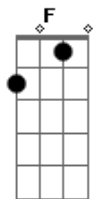

Mãe dos Homens, bendita senhora

Padroeira deste meu torrão

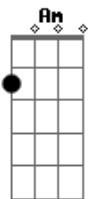

Dai conforto as almas que sofrem

Redimidas, vos rogam perdão
