Cm Gm Ab Bb Gm Ab
Baby girl, turn me on with your electric feel (2x)

[Just the same as first]

All along the eastern shore
Put your circuits in the sea
This is what the world is for
Making electricity
You can feel it in your mind
Oh you can do it all the time
Plug it in and change the world
You are my electric girl

Oh girl, shock me like an electric eel
Baby girl, turn me on with your electric feel
(x2)

[the same as others, just listen and keep the time]
Do what you feel now
Electric feel now
(x5)
