Tom: E

(verse)

Dbm A E Gbm Abm

I like the line between your belly and your thighs

the smell of your hair the sparkle in your eyes

the smoke in your breath the breathing hard and heavy

the smack of your neck the shine on your Chevy

the moon was so big when I drove it to the levy, girl

(chorus)

A Abm E (let another guitar ring out full chord)

I found blood and I saw stars

all in the backseat of your car

and I told you it was love

but you don't wanna know the truth

I'm a young man in my prime

with my heart still filled with fear

and it goes on bleedin'

and it goes all clear

and it goes all clear

and it goes all clear
