

Mica Millar - Flashlights

tom:

Intro: **Dm7** **Am7** **Am**

Dm7 **Dm7**
Flashlights, taking me to the light
Am7 **Am7**
Taking me under
Dm7 **Dm7**
Cars break over and undertake
Am7
Racing with thunder

Dm7
But it feels like
Dm7
We could be free
Am7
Like we're on the run
Dm7
Shooting in real time
Dm7
There's no need for flashlights
Am7
And I know just the parts

Dm7
We can be postcards
Dm7
We can be letters
Am7
Writing each other
Am7
Like wine, we'll get better
Dm7
We can be wise guys
Dm7 **Am7**
Show me your wild side

Dm7
We can be holy
Dm7
We can be kind
Am7
We can be movie stars

Dm7
'Cause we are two
Dm7 **Am7**
Baby, let's make it through

Dm7 **Dm7**
We can be free like days in the river
(**Am7**)

Eyes closed, don't ya hide those
