F Am7 Dm7 C

F Am7
She came in with the brown eyes
Dm7 C
I haven't looked away
F Am7
It wasn't long before love songs
Dm7 C
Made more sense to me
F Am7
When she looks in my direction
Dm7 C
I feel that first connection
F Am7
And I know
Dm7 C
The feels are here to stay

F Am7
Got a girl from the valley
Dm7 C
I think that she loves me
Dm7 C
I think that she loves me

Got a girl from the valley
Dm7 C
I think that she loves me

I think that she loves me
F
To eternity, baby
(F Am7 Dm7 C)
(F Am7 Dm7 C)

F Am7
Ooh, sunkissed in the Rio Grande
Dm7 C
Really did her some favors
F Am7
Could never understand how your man
Dm7 C
Even had a chance to win her
F Am7
But she loves just like her mama
Dm7 C
And puts her head down like her papa
F Am7
If you ask her for a little

Dm7 C
She is gonna give you the moon

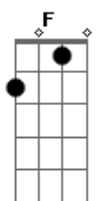

F Am7
Got a girl from the valley
Dm7 C
I think that she loves me
Dm7 C
I think that she loves me
F C
Yeah, yeah, yeah
F Am7
Got a girl from the valley
Dm7 C
I think that she loves me
Dm7 C
I think that she loves me
F C
To eternity
F C
To eternity

(F Am7 Dm7 C)
(F Am7 Dm7 C)
(F Am7 Dm7 C)
(F Am7 Dm7 C)

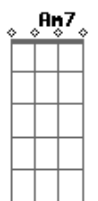

F Am7
And I know we're gonna face it, yeah
Dm7 C
But I know we're gonna make it
F
'Cause she's the woman

F Am7
Got a girl from the valley
Dm7 C
I think that she loves me
Dm7 C
I think that she loves me
F C
Yeah, yeah, yeah
F Am7
Got a girl from the valley
Dm7 C
I think that she loves me
Dm7 C
I think that she loves me
F
To eternity, baby
F Am7
I got a girl from the valley
Dm7 C
I got a girl from the valley, yeah
(F Am7 Dm7 C)
