F Am Dm C

F Am

She came in with the brown eyes

Dm C

I haven't looked away

F Am

It wasn't long before love songs

Dm C

Made more sense to me

F Am

When she looks in my direction

Dm C

I feel that first connection

F Am

And I know

Dm C

The feels are here to stay

F Am

Got a girl from the valley

Dm C

I think that she loves me

Got a girl from the valley

Dm C

I think that she loves me

Dm C

I think that she loves me

F

To eternity, baby

(F Am Dm C)

(F Am Dm C)

F Am

Ooh, sunkissed in the Rio Grande

Dm C

Really did her some favors

F Am

Could never understand how your man

Dm C

Even had a chance to win her

F Am

But she loves just like her mama

Dm C

And puts her head down like her papa

F Am

If you ask her for a little

Dm C

She is gonna give you the moon

F Am

Got a girl from the valley

Dm C

I think that she loves me

Dm C

I think that she loves me

F C

Yeah, yeah, yeah

F Am

Got a girl from the valley

Dm C

I think that she loves me

Dm C

I think that she loves me

F C

To eternity

F C

To eternity

(F Am Dm C)

(F Am Dm C)

(F Am Dm C)

(F Am Dm C)

F Am

And I know we're gonna face it, yeah

Dm C

But I know we're gonna make it

F

'Cause she's the woman

F Am

Got a girl from the valley

Dm C

I think that she loves me

Dm C

I think that she loves me

F C

Yeah, yeah, yeah

F Am

Got a girl from the valley

Dm C

I think that she loves me

Dm C

I think that she loves me

F

To eternity, baby

F Am

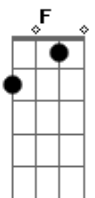

I got a girl from the valley

I got a girl from the valley, yeah
