

Michael Ball - When You Tell Me That You Love Me

Tom: C

and what it does.

I wanna call the stars, down from the sky, I wanna live a day, that never dies,

I wanna change the world, only for you, All the impossible, I wanna do.

I wanna hold you close under the rain, I wanna kiss your smile, and feel your pain.

I know what's beautiful, looking at you, In a world of lies, you are the truth.

And baby

Everytime you touch me, I become a hero, I'll make you safe no matter where you are

And bring you

Anything you ask for, nothing is above me, I'm shining like a candle in the dark,

When you tell me that you love me.

And baby

Anything you ask for, nothing is above me, I'm shining like a candle in the dark,

When you tell me that you love me.

I wanna make you see just what I was, show you the loneliness,

You walked into my life to stop my tears, everything's easy now I have you here.

And baby

Everytime you touch me, I become a hero, I'll make you safe no matter where you are

And bring you

Anything you ask for, nothing is above me, I'm shining like a candle in the dark,

When you tell me that you love me.

And baby

Anything you ask for, nothing is above me, I'm shining like a candle in the dark,

When you tell me that you love me.

when you tell me that you love me, when you tell me that you love me,

when you tell me that you love me, when you tell me that you love me.
