

## Michael Bolton - How Am I Supposed To Live Without You

```
Tom: G
I could hardly believe it
When I heard the news today
I had to come and get it straight from you
They said you where leaving
Someone sweapt you heart away
From that look on your face I say it's true
So tell me all about it, tell me about the plans your making
Tell me one thing more before I go
Tell me how am I supposed to live without you
                               Bm G C
Now that I've been loving you so long
How am I supposed to live without you
           G
And how am I supposed to carry on
When all that I've been living for is gone
```

To tired for crying, didn't come her to break down It's just a dream of mine that's coming to an end And how can I play now, when I build my world around The hope that one day we'd be so much more than friends I don't wanna know the price I'm gonna pay for dreaming Even now it's more than I can take Tell me how am I supposed to live without you Now that I've been loving you so long Bm How am I supposed to live without you And how am I supposed to carry on D Bm C Bm G When all that I've been living for is gone Now I don't wanna know the price I'm gonna pay for dreaming Now that you dream has come true Tell me how am I supposed to live without you Now that I've been loving you so long How am I supposed to live without you
