

# Michael Bolton - That's What Love Is All About

Tom: E

The reason why E This dream of our survives B A B

There was a time E B We thought our dream was over B A Through thick and thin E A We're destined for each other B7 B

When you and I E B Had surely reached the end B A Knowing we can reach the other side B7 B Far beyond the mountains of our pride

Still here we are B The flame as strong as ever B7 B [Bridge] A B Abm B

All because we both kept holding on B7 B We know we can weather A B Riding the good times is easy B7 B The hard times can any storm

[Chorus 1] There'll be times in your heart A B When the feelin' is gone B7

Baby, that's what love is all about E Abm Dbm B A B Two hearts that find a But ya keep on believing B7 B And ya keep holdin' on To keep the fire burning E B A

It's something we could never live without B A If it takes E B7 B Two hearts that find a way, somehow

We can work it out B7 B Beyond a shadow of a A E It's something we could never live without B7 B If it takes forever

Baby, that's what love is all about E Abm Dbm A A

[Verse 2] We can work it out B7 B Beyond a shadow of a A E It's something we could never live without B7 B If it takes forever

Baby, that's what love is all about E Abm Dbm A A

[Chorus 2] E B A B Baby, that's what love is all about E Abm Dbm B7 B Two hearts that find a way, somehow

To keep the dream from dying E B7 B A To keep the dream from dying E B7 B A

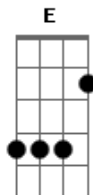

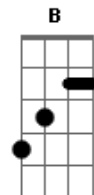

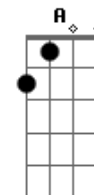

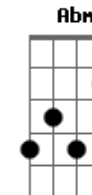

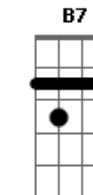

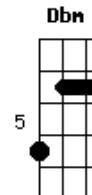

It's something we could never live without B7 B If it takes forever

We can work it out B7 B Beyond a shadow of a A E It's something we could never live without B7 B If it takes forever

Baby, that's what love is all about E Abm Dbm A A
