

# Michael Bolton - That's What Love Is All About

Tom: E

The reason why E This dream of our survives B A B

There was a time E We thought our dream was over B Through thick and thin E We're destined for each other B A E

When you and I B Had surely reached the end B7 B Knowing we can reach the other side Far beyond the mountains of our pride

Still here we are B The flame as strong as ever [Bridge] A Abm B

All because we both kept holding on B7 B We know we can weather Ridng the good times is easy The hard times can any storm

[Chorus 1] There'll be times in your heart When the feelin' is gone

Baby, that's what love is all about E Abm Dbm B A B Two hearts that find a But ya keep on believing And ya keep holdin' on

To keep the fire burning E B7 B Baby, that's what love is all about Two hearts that find a way, somehow

It's something we could never live without E B A If it takes To keep the dream from dying E B7 B forever

We can work it out B Abm Dbm A It's something we could never live without If it takes doubt

Baby, that's what love is all about A B E A Abm Dbm A

[Verse 2] We can work it out B A B A Baby, that's what love is all about

As time goes by E We've learned to rediscover B A B A Baby, that's what love is all about
