

# Michael Bublé - Close Your Eyes

Tom: C

Close your eyes <sup>Am</sup>

Let me tell you the reasons why <sup>Dm</sup>

Think you're one of a kind. <sup>G</sup>

Here's to you <sup>C</sup>

The one that always pulls us through <sup>Am</sup>

Always do what you got to do <sup>Dm</sup>

You're one of a kind <sup>G</sup>

Thank god your mine. <sup>G</sup>

You're an angel dressed in armor <sup>C</sup>

You're the fair in every fight <sup>Dm</sup>

You're my life and my safe harbor <sup>G</sup>

Where the sun sets every night <sup>F</sup>

And if my love is blind <sup>C</sup>

I don't want to see the light. <sup>Am</sup> <sup>Em</sup> <sup>F</sup> <sup>G</sup>

It's your beauty that betrays you <sup>C</sup>

Your smile gives you away. <sup>Dm</sup> <sup>G</sup>

Cause you're made of strength and mercy <sup>C</sup>

And my soul is yours to save <sup>Dm</sup> <sup>G</sup>

And when this much is true <sup>F</sup> <sup>C</sup>

When my world was dark and blue <sup>Am</sup> <sup>G</sup> <sup>F</sup> <sup>C</sup>

I know the only one who rescued me was you <sup>Dm</sup> <sup>G</sup>

Close your eyes <sup>C</sup>

Let me tell you all the reasons why <sup>Am</sup>

You're never going to have to cry <sup>Dm</sup>

Because you're one of a kind <sup>G</sup>

Yeah here's to you <sup>C</sup>

The one that always pulls us through <sup>Am</sup>

You always do what you got to do babe <sup>Dm</sup>

Because you're one of a kind. <sup>G</sup> <sup>G</sup>

When your luck was down in me <sup>Dm</sup> <sup>G</sup>

I know i'm finally free <sup>C</sup>

So i tell you gratefully <sup>C7M</sup> <sup>Am</sup>

Yes you'll be in my heart <sup>Dm</sup> <sup>F</sup>

It's yours to keep <sup>G</sup>

Close your eyes <sup>D</sup>

Let me tell you all the reasons why <sup>Bm</sup>

You're never going to have to cry <sup>Em</sup>

Because you're one of a kind <sup>A</sup>

Yeah here's to you <sup>D</sup>

You're the one that always pulls us through <sup>Bm</sup>

You always do what you got to do babe <sup>Em</sup>

Because you're one of a kind. <sup>A</sup> <sup>A</sup>

You're the reason why i'm breathing. <sup>D</sup>

With a little look my way <sup>Em</sup> <sup>A</sup>

You're the reason that i'm feeling <sup>D</sup>

It's finally safe to stay! <sup>Em</sup> <sup>D</sup> <sup>A</sup> <sup>D</sup>
