

Michael Bublé - Crazy Love

Tom: G

I can hear her heart beat for a thousand miles
 And the heavens open every time she smiles
 And when I come to her that's where I belong
 Yet I'm running to her like a rivers song

 She gives me love, love, love, love, crazy love
 She gives me love, love, love, love, crazy love

 She's got a fine sense of humor when I'm feeling low down
 And when I come to her when the sun goes down
 Takes away my trouble, takes away my grief
 Takes away all of my heartache, in the night like a thief

 She gives me love, love, love, love, crazy love
 She gives me love, love, love, love, crazy love
 (Love, love, love, love, crazy love)
 She gives me love, love, love, love, crazy love

Yes I need her in the daytime
 Oh but I need her in the night
 Yes I want to throw my arms around her
 Kiss and hug, kiss and hold her tight

 And when I'm returning from so far away
 She gives me some sweet lovin' brighten up my day
 Yes it makes me righteous, it makes me feel whole
 And it makes me mellow down to my soul

 She gives me love, love, love, love, crazy love
 She gives me love, love, love, love, crazy love
 She gives me love, love, love, love, crazy love
 I need her love, love, love, love, crazy love
 Crazy love, crazy love, crazy love
