

Michael Bublé - Haven't Met You Yet

```
They say all's fair
                tom:
                Db (forma dos acordes no tom de C )
                                                                          Dm7
Capostraste na 1ª casa
                                                                 In love and war
Intro: C F7M F7M Am7 G
                                                                 But I won't need to fight it
I'm not surprised, Not everything lasts
                                                                 We'll get it right and
             F7M G
                                                                        G
I've broken my heart so many times I stopped keeping track
                                                                 We'll be united
            F7M
                                                                 ( \mathsf{G7M} A7 D \mathsf{G7M} A \mathsf{Bm} ) ( \mathsf{G7M} Bbm7 Bm D G A )
Talk myself in, I talk myself out
                  G
                           Db7
I get all worked up, Then I let myself down
I tried so very hard not to loose it
                                                                 And I know that we can be so amazing

I thought I thought of every possibility
                                                                 And now I can see every single possibility, mmmmm
                                                                              G7M
And I know some day that it'll all turn out
                                                                 And someday I know it'll all turn out
