

## Michael Bublé - Hold On

```
Tom: Bb
                                                            I've got faith in us and I believe in you and me
Intro: F
            F7
                   Bh
                                                            So hold on to me tight
                                                            Hold on, I promise it'll be alright
x2
                                                            Cause it's you and me together
Verse 1
                                                            And baby all we've got is time
                   Α7
                                                            So hold on to me, hold on to me tonight
                                               Dm
Didn't they always say we were the lucky ones?
                                                            Middle 8 / Bridge
             Gm
I guess that we were once
Babe, we were once
                                                              There's so many dreams that we have given up
 But luck will leave you cause
                                                              Take a look at all we've got
It is a faithless friend
                                                            And with this kind of love
           A7
                                                            Cm
                                                                          Gm
                                                            What we've got here is enough
And in the end when life has got you down
Dm Gm
You've got someone here that you can wrap your arms around

There's a thousand ways for things to fall apart
But it's no one's fault, no it's not our fault
                                                             Tonight
And baby all the plans we made might not work out
                                                                                        Eb F Bb

## **Acordes**

But I have no doubt, even though it's hard to see

They always say we were the lucky ones
