

# Michael Bublé - Its Beginning To Look A Lot Like Christmas

tom:  
 It's beginning to look a lot like Christmas  
 Everywhere you go  
 Take a look in the five-and-ten, glistening once again  
 With candy canes and silver lanes aglow

[Verse]  
 It's beginning to look a lot like Christmas  
 Toys in every store  
 But the prettiest sight to see is the holly that will be  
 On your own front door

[Bridge]  
 A pair of hopalong boots and a pistol that shoots  
 Is the wish of Barney and Ben  
 Dolls that will talk and will go for a walk  
 Is the hope of Janice and Jen  
 And Mom and Dad can hardly wait for school to start again

[Verse]  
 It's beginning to look a lot like Christmas  
 Everywhere you go  
 There's a tree in the Grand Hotel, one in the park as well  
 It's the sturdy kind that doesn't mind the snow

[Verse]  
 It's beginning to look a lot like Christmas  
 Soon the bells will start  
 And the thing that will make them ring is the carol that you sing  
 Right within your heart

[Final]  
 It's beginning to look a lot like Christmas  
 Toys in every store  
 But the prettiest sight to see is the holly that will be  
 On your own front door  
 Sure it's Christmas once more
