

# Michael Clifford - Enough

tom:  
Intro: Am F C G

[Primeira Parte]

Am  
I can hear a voice inside  
And it's cutting me down each time  
That I don't get everything just right  
Am  
How can I change my mind?  
Yeah, it's probably too late to try  
Will I feel this for the rest of my life?

[Pré-Refrão]

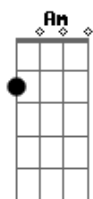

Am F  
At 3 a.m., awake again  
I can see all of the damage you've done  
You jumped the fence, and called me "friend"  
With friends like you, who needs a loaded gun?

[Refrão]

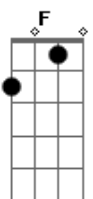

F G  
I could never hate someone else, no  
More than I hate myself now  
Thinking 'bout something, that something you said  
F G  
I could never blame someone else, no  
More than I blame myself  
For letting you in just to fuck with my head  
All I've done, is it ever gonna be enough?  
My heart is numb, I guess you've won  
Am C  
Am I ever gonna be enough?

[Segunda Parte]

Even with the smallest cuts  
You can still lose so much blood  
Maybe I used to trust too much  
'Cause the voice that's in my head  
Says every single word you said  
And I feel it like a knife in my chest
