

Michael Corcoran (Sam e Cat Theme Song) - Just Fine

Tom: **C**

I'm never that far
No matter where you are
Believe it
We can make it come true
We'll do it our way
No matter what they say
'Cause no one's gonna do it for you
Ooh, ooh, yeah
But I-I-I-I, I'll never say never
As long as we keep it together
Er-er-oh

Refrão:

If you're living a dream
And you know what it means
Then you can't
Let 'em change your mind
It's the life that we choose
And we still break the rules
But it's all gonna be just fine
And while all we need
Is just to make believe
Yeah everything
Begins when you do
Just got to let go
Cause your original
And no one else can do it like you, ooh, ooh, yeah
But I, I, I, I, I'll never say never
As long as we keep it together
Er-er-oh

Refrão:

If you're living a dream
And you know what it means
Then you can't
Let 'em change your mind
It's the life that we choose
And we still break the rules
But it's all gonna be just fine
Yeah we're all gonna be just fine
Just fine
And if you are misunderstood, just think of your life
Don't feel bad it's the times we've had were free...

Refrão:

If you're living a dream
And you know what it means
Then you can't
Let 'em change your mind
It's the life that we choose
And we still break the rules
But it's all gonna be just fine
Just fine...
If you're living a dream
And you know what it means
Then you can't
Let 'em change your mind
It's the life that we choose
And we still break the rules
But it's all gonna be just fine
Yeah we're all gonna be just fine
You and me, we're going to be just fine.
