tom: Bm B Db D Db B Db D Db

(Verse 1)

Bm Dbm
Why did you let him get away?
Bm Dbm
After the staring, what did you say?
Bm Dbm
Shot me down as cold as ice

Scream in my face then pushed you back

She should have spied down his skin
Bm Dbm
Now it's my job to get revenge

Why did you let him get away?

Why did you let him get her?

So sad, regret it
