

Michael Jackson - Beat It

Tom: **G**

(verso)

E They told him don't you ever come around here,
E don't wanna see your face, you better disappear.
C The fire's in their eyes and their words are really clear,
E so beat it, just beat it.
E You better run, you better do what you can,
E don't wanna see no blood, don't be a macho man.
C You wanna be tough, better do what you can,
E so beat it, but you wanna be bad.
E Just beat it, beat it, beat it, beat it,
E no one wants to be defeated.
E Showin' how funky and strong is your fight,
E it doesn't matter who's wrong or right,

E just beat it, beat it, just **D** beat it, beat it
E Just beat it, beat it, just **D** beat it, beat it.

E They're out to get you, better **D** leave while you can,
E don't wanna be a boy, you wanna be a man.
C You wanna stay alive, better **D** do what you can,
E So beat it, just beat it.
E You have to show them that you're really not scared,
E you're playin' with your life, this ain't no truth or dare
C They'll kick you, then they beat you, then they'll tell you
E it's fair.
E Just beat it, but you wanna be bad.
E Just beat it, beat it, beat it, beat it,
E no one wants to be defeated.
E Showin' how funky and strong is your fight,
E it doesn't matter who's wrong or right.
