

Michael Jackson - Dont Walk Away

Tom: A

Intro: A Bm A C Bm E7sus E7

Don't walk away

See I just can't find the right thing to say

I tried but all my pain gets in the way

Tell me what I have to do so you'll stay

Should I get down on my knees and pray

And how can I stop losing you

How can I begin to say

When there's nothing left to do but walk away

I close my eyes

Just to try and see you smile one more time

But it's been so long now all I do is cry

Can't we find some love to take this away

'Cause the pain gets stronger every day

How can I begin again

How am I to understand

When there's nothing left to do but walk away

See now why

All my dreams been broken

I don't know where we're going

Everything we said and all we done now

Don't let go, I don't wanna walk away

(A Bm A C Bm E7sus E7) (2x)

Now why

All my dreams been broken

Don't know where we're going

Everything begins to set us free

Can't you see, I don't wanna walk away

If you go, I won't forget you girl

Can't you see that you will always be

Even though I had to let you go

There's nothing left to do
Don't walk away

If you go, I won't forget you girl

Can't you see that you will always be

Even though I had to let you go

There's nothing left to do
Don't walk away

If you go, I won't forget you girl

Can't you see that you will always be

Even though I had to let you go

There's nothing left to do
Don't walk away
