

# Michael Jackson - For All Time

Tom: C  
Intro: F Em7 C (2x)

F G C D  
Sun comes up on this new mornin'  
F G C D  
Shiftin' shadows, a songbird sings  
F G C D  
And if these words could keep you happy  
F G  
I'd do anything  
  
F G C D  
And if you feel alone, I'll be your shoulder  
F G C D  
With the tender touch, you know so well  
F G C D  
Somebody once said, it's the soul that matters  
F  
Baby who can really tell,  
G  
When two hearts belong so well  
  
C D G  
And maybe the walls will tumble  
C D G  
And the sun refuse to shine  
C D G Em7  
When I say, I love you  
F  
Baby you gotta know  
Em7 C  
(That's for all time)  
F  
Baby you gotta know  
Em7 C  
(That's for all time)  
  
F G C D  
Moon shines down on this good evening  
F G C D  
One warm kiss in the cold night air  
F G C D  
For this good love I'm receiving  
F

I'll go anywhere  
G  
Just as long as you are there  
  
C D G  
And maybe the walls will tumble  
C D G  
And the sun refuse to shine  
C D G Em7  
When I say, I love you  
F  
Baby you gotta know  
Em7 C  
(That's for all time)  
F  
Baby you gotta know  
Em7 C  
(That's for all time)  
  
Am Em7  
Oh, then on these quiet days  
C  
Where souls embrace  
D  
So silently  
Am Em7  
Oh, the rain may wash away  
F G  
All these words that young lovers say  
  
C D G  
And maybe the walls will tumble  
C D G  
And the sun refuse to shine  
C D G Em7  
When I say, I love you  
  
F  
Baby you gotta know  
Em7 C  
(That's for all time)  
F  
Baby you gotta know  
Em7 C  
(That's for all time) (...)
