

Michael Jackson - Got To Be There

Tom: **D**

Got to be there, got to be there
In the morning

When she says hello to the world
Got to be there, got to be there

Bring her good times
And show her that shes my girl
Oh what a feeling therell be
The moment I know she loves me

cause when I look in her eyes I realize
I need her sharing her world beside me

So Ive got to be there
Got to be there in the morning
And welcome her into my world
And show her that she is my girl
When she says, hello world!
I need her sharing the world beside me
Thats why Ive got to be there
Got to be there where love begins
And thats everywhere she goes
Ive got to be there so she knows
That when shes with me, shes home
Got to be there
