

Michael Jackson - Heal the World

```
In my heart I feel you are all my brothers.
Intro: A D
                                                                            Bm
                                                          Create a world with no fear, together we'll cry happy tears,
Verso 1:
                      Bm
